

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Laurence Deane Coy II**
Docket No. **284870**
L.C. No. **98-001925-FC**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The delayed application for leave to appeal is DISMISSED for lack of jurisdiction. Appellant may not appeal the April 17, 2007 order denying a successive motion for relief from judgment. MCR 6.502(G)(1). The exception provided by MCR 6.502(G)(2) is inapplicable because the underlying motion for relief from judgment is not based on a claim of newly discovered evidence or a retroactive change in law. It is immaterial to this determination whether the initial motion for relief from judgment was based on a claim of newly discovered evidence.
